Approval of Minutes

1. Action: The Minutes of 1 September 1953 (IAC-M-119) were approved, subject to the following changes:

a. Substitute the name of Mr. Fisher Howe for the name of Mr. Park Armstrong among the Members Present and add the names of [ ] among those Also Present.

25X1

b. Revise paragraphs 3b and c, on request of General Porter, to read as follows (deletions in brackets; insertions underlined):

b. ".... It was the view of some that manpower required of the agencies and the personal attention required of the chiefs of intelligence to enable them to concur in so detailed a document was too extensive to be practicable."

c. The agreement reached in September 4, 1952 Minute to the effect that such reports would be noted, rather than approved, by the IAC/ The requirement for the detail contained in the appendices to NIEs arose out of a circumstance in which the NSC Policy Planning staff expressed a need for the background material contained in NIE working papers. The question was raised whether, indeed, such need still existed, and if so, whether it could not be met by the intelligence officers in each agency rather than disseminating IAC approved appendices directly to officials outside of the intelligence community, or be met by appendices only noted by the IAC."
